

Live your Journey through Academics

Our four year high school program provides a unique college preparatory program that is both structured and well-balanced. The vigorous curriculum contains both academic and business courses, preparing students for a NYS Regents Diploma. College Credit can be obtained through participation in the Advanced Placement Program or College Extension Program offered in collaboration with **St. John's University**.

Baccalaureate Program

Qualified students may enroll in a seven-year program which leads to a high school diploma and baccalaureate degree from **St. John's University**.
